

JISAO Graduate Fellowship Application

These awards are intended for Joint Institute for the Study of the Atmosphere and Ocean affiliated graduate students to provide fellowship support, usually equivalent to the 50% Research Assistant (RA) level, for one quarter in the upcoming academic year. To be considered for fellowship support, all applicants must be up-to-date on their departmental milestones and maintain satisfactory progress toward completion of a degree program.

Complete this application and submit one electronic packet to Collen Marquist at marquist@uw.edu. Do not scan the recommendation letter; that should be sent by the major professor to Collen Marquist via email at marquist@uw.edu or in a sealed envelope to campus mail box 355672. Late or incomplete applications will not be considered. Please include all required materials.
