CICOES Outreach
Adventure Camp and MESA
Inspiring the younger generation!

**Adventure Camp:**
- Students in grades K-8 with social needs toured UW to participate in hands-on science-themed activities
- Students learned about marine mammals and the surrounding ecosystem

**Mathematics, Engineering, Science Achievement (MESA)**
- A group of 8th graders
- Hands-on activities looking at marine mammal behavior, ocean acidification, and ocean currents
- Tour of UW fish collection

Cooperative Institute for CLIMATE, OCEAN & ECOSYSTEM STUDIES
