

CICOES

CICOES PI Meeting

Oct 12, 2023

1. Research Development Grant call
2. Task I Postdoctoral Program
3. Research Performance Progress Report (RPPR) review
4. CICOES Review 2024

Research Development Grants 2024

Proposals Due: **November 1, 2023**

- Funding Available: \$200,000; Estimated maximum number of awards 5
- Two grant categories: Partnered (max \$50,000), CICOES-UW (max \$40,000)
- Preference given to CICOES Symposium inspired projects
- Project Selection Notification: December 19, 2023
- Project Period: February 1, 2024 – December 31, 2024
- One proposal per PI, individuals can participate in other proposals as co-PIs
- Submit a single PDF file to: Marlene Poches (mpoches@uw.edu)

Task I Postdoc Program

Applications Due: Jan 3, 2023

- UW appointments only (end of Cooperative Agreement and Subaward challenges)
- 2 - 3 positions
- 2-year appointment
- Must include academic and NOAA/CICOES mentor
- Details posted on CICOES web site

Need volunteer to Chair committee

Research Performance Progress Report (RPPR)

Officially Due: April 30th

- Later this year than ever: late submissions; synthesis slow
- CIAO office threatened to cut off funding
- Revising questionnaire sent to Pis
- May accelerate process next year in preparation for 5-year review

CICOES Review 2024

What is it?

- End of 5-year initial grant in June 2025
- Review conducted in 4th year
- Lead by representative of NOAA Science Advisory Board
- 2-day Science Review, 1 day Administrative/Financial Review
- Science presentations, interactions with scientists, students, and Postdocs
- Format of Science review not unlike Symposium 2023

CICOES Review 2024

Evaluation Criteria

1. Quality, creativity, integrity, and credibility
2. timeliness, scale, and scope
3. Science connected to the application and operational implementation of policy
4. capacity-building
5. Education
6. Efficiency
7. Social science integration
8. Diversity, equity, inclusion and accessibility

Outcomes:

Outstanding: renew for 5 years at current funding level

Satisfactory: renew for period less than 5 years, reduced funding level

Unsatisfactory: no renewal or terminate CI

CICOES Review 2024

We're all in this together

Strategy

- Review panel candidates (3); max 10 list to SAB chair
- Renew proposal thematic groups, theme leaders from each Partner University
- Science: 9 thematic highlight presentations + short talks; poster session(?)
- Items/issues that should be addressed in the next year? And how will you contribute?
- Publications and presentations in database, contribution numbers for new papers (Marlene)
- Share ideas that you think a review panel should definitely know about CICOES
